SPECIALITIES

- » Corporations and partnerships: mergers & acquisitions, formations, conversions, restructurings, acquisition and sale of corporate participating interests and private equity, shareholder disputes, executive body liability
- » Individual and collective labour law: service and employment contracts, works agreements, termination of employment relationships, changes in operations, reconciliation of interests and social plans, transfer of undertakings, compliance
- » Conduct of litigation before state courts and arbitration courts as well as alternative dispute settlement:

Dr. Wurm regularly represents companies, shareholders, managing directors and board members in litigation under company law and in D & O liability proceedings. In disputes before the labour courts, Dr. Wurm mainly represents employers, but frequently also employees; if works councils are involved, Dr. Wurm represents employers in both labour court decision procedures and conciliation board procedures. In addition, Dr. Wurm regularly conducts litigation for the enforcement or defence against claims for damages, claims for erroneous advice and contractual claims.
